

# 65th Indian Foundry Congress

February 3 – 5, 2017, Eco Park, Kolkata

## Call for Papers

Original papers are invited for presentation in the Technical Sessions of 65th Indian Foundry Congress (IFC). Theme of the IFC being “**Casting Challenges Moulding Opportunities**”, papers are invited in the following categories:

### Categories

- Green Foundry
- Innovations/Make in India Concept in Foundry Technology
- Non-Ferrous Alloy Technology
- Ferrous Casting Technology
- Foundry Automation/Modernisation/Foundry Management
- Computer Aided Casting Simulation
- Special Casting Technology – Investment, Centrifugal, 3D Casting and other Recent Advancements
- Technology transfer, Intellectual Property Rights
- Newer Material Development/Smart Foundry 2020

### Instruction to Authors

The papers may be written in the following format:

- Title of the paper
- Author (s) name/s, address, phone number and E-mail ID
- Extended Abstracts should be of about 500 words and contain keywords
- References are not needed in Extended Abstract
- Full length papers should include Short Abstract, Keywords, Introduction, Experiment, Results, Discussion, Conclusion and References and should be restricted in 2500 words. Length of the full paper including figures should not exceed 5 (five) printed pages (A4 size).
- Tables with suitable heading should be numbered serially. Photographs, charts, diagrams should be numbered serially as Fig.1, Fig.2 so on. They should also have suitable captions. Figures, Tables and References should be mentioned in respective places of the text as cross references.
- Soft copy of the paper in MS WORD format should be sent through E-mail to:  
**technicalpaper.65thifc@ifcindia.net:**
- Use Times New Roman (12 point) font with double spacing keeping 1” margin around in A4 size page setup
- All drawings/illustrations/photographs/graphs should be of high resolution for quality reproduction in printing. No hand-sketch or photocopy will be accepted.
- Figures and Photographs should be big enough so that after reduction in sizes of the figures for page setting, those remain clear

### Important Dates

**Last Date of Submission of Abstracts by the authors : August 31, 2016**

**Last Date of Acceptance of Abstracts and Notification to Authors : September 30, 2016**

**Last Date of Submission of Full papers by the Authors as per prescribed format : November 30, 2016**
